- Matt Higgins Elite Training- Matt Higgins has been The heartbeat for North Jerseys Soccer Training for 15 years plus. Matt focuses on high level supplemental Training for players that play on a town or club team.
 - Individual development is just as important as team development & with a proven philosophy & education
 - Matt is a support system to you & your family to help make the right soccer decisions for your child, on & off the field.
 - - former professional Macclesfield Town FC
 - - youth professional Manchester City
 - - NCAA D1 & D3 Head & Assistant coach roles
 - - sent over 300 soccer players on college scholarships
 - - Inter Miami CF First Team Scout
 - - sent 4 players to the US Youth National Teams
 - - sent 10 players to Professional teams worldwide & the MLS league
- Senior Academy Ages 10-14
 - Supplemental Training for players **ages 10-14**. Our Senior Training Academy places the focus on honing your skills & footwork, maneuvers and overall performance in a competitive environment.
 - 1 Hour *Training* – once a week
 - *High Level Coaching* from International & College Coaches
 - Enhance Your Skills Playing with Other Players
 - State of the Art *Grass & Turf Facilities*
 - *CLUB NEUTRAL* – Play with Players from Other Clubs & Teams
 - Join Hundreds of Players from North Jersey
 - Must Order Pink & Blue Uniform
 - *Professional Training* with No Parent Involvement
 - Insight to our *World Class Training Philosophy* that has Sent 4 Players to US National Teams Over the Past 10 Years
 - Our Senior Training Academy attracts players from over 40 clubs & towns, for players that already play for a club. We feel that it is very important that players have the opportunity to train “away” from their current team to focus on their individual development & to make sure they don’t become too stagnant.

- Family Fit Special Needs
 - Multi Sport
 - Soccer
 - Basketball
 - Baseball?
 - Family Fit, we provide a variety of physical education programs and Sports for Special Needs children 4 Years old to 17 years old.

Family Fit program promotes inner-strength, confidence and self-esteem; a feeling of well-being and respect for others and love for one's self, both inside and out. This is a judgment free program. We focus on basic sport skills and tailor lessons to your child's capacity and abilities. Classes are structured so that your family will be introduced to new activities and stay active. Our Family Fit program helps develop hand/eye coordination, perceptual motor skills, spatial awareness, and also promotes strength, flexibility, coordination body awareness, following directions, self control and much more.

What makes us different? Family Fit maintains a small group ratio of 3:1 so each child has additional support. We will not discriminate against your child because of challenging behaviors.

Come join us for a unique experience.

Your child will learn basic sport skills including: footwork, shooting, dribbling as well as fun games! We will also work on social skills, impulse control, focusing on following directions, self control and much more, while having fun not knowing they are learning important life skills. All in a small group setting, with special needs behavioral trained staff on site.
